TO PEFKO

WELCOME TO RESTAURANT TO PEFKO

To Pefko is a family restaurant run by Nikos, together with his sister Maria and her husband – our chef Takis.

The restaurant first opened in the summer of 2003 and is built on the site of our family's former home.

The restaurant is named To Pefko after the pine tree on the ground floor that we planted when we first opened, and which has grown with us over the years.

We are very proud of our restaurant and are honoured to have received excellent reviews and reports on Trip Advisor, Lonely Planet, the Rough Guide and numerous other publications.

All our food is made from the freshest ingredients possible and is prepared to order in the restaurant kitchen. Some dishes may take a little longer to prepare than others, so we ask for your patience as we always want to ensure every dish meets our chef's high standards before we serve it to you.

To help those wanting to learn a little of our language, we have written the names of our dishes in phonetic Greek, but please ask us if you need any help or advice.

We are always striving to provide you with the most appetising and top quality food, along with the friendliest and best service possible in a beautiful setting and relaxed atmosphere.

KALI OREXI – BON APPETIT!

NIKOS

Thank you for choosing to eat in our restaurant. We hope you enjoy your meal, and we look forward to welcoming you back again soon.
